## December Newsletter

**Let's Catch up Before Santa gets here!**

Dear Valued Clients, Partners, and Friends,  
As we embrace the year-end, Urban Systems extends heartfelt gratitude to our clients, neighboring parishes, and bordering states for playing a pivotal role in our success throughout this remarkable year. It has been a journey of growth, collaboration, and building lasting relationships. We are thrilled to have made new connections, nurture existing ones, and broaden our business outreach. The warmth of the holiday season provides the perfect backdrop for expressing our sincere appreciation.

Before bidding farewell to 2023, we want to acknowledge and thank each one of you for your continued support. May this festive season be filled with joy, togetherness, and the spirit of gratitude.

Have a wonderful holiday season and a prosperous New Year!

### Holiday Clean up Hack

Occasional accidents, can be a hassle, especially when broken glass is involved. Cleaning up amidst a crowd can be tricky, but there's a simple and safe solution. **Grab a piece of bread and press it onto the floor to pick up both large and small glass**

**fragments.** This method not only minimizes the risk of cuts but also ensures that tiny glass shards are effectively collected, preventing any lingering hazards. Once you've used the bread to gather the debris, dispose of it in the trash for a quick and

clean resolution to the situation.
