BLACK HISTORY MONTH

Each year in February we recognize Black History Month in gratitude for the trailblazers who shaped and paved the way for our communities to establish equality, diversity and justice.

Black is Beautiful

In 1923

African American inventor - **Garrett Morgan** - , after witnessing an accident on a roadway, he decided a device was needed to keep cars, buggies and pedestrians from collision. His traffic signal was a three-way traffic light designed to stand on a street corner and notify drivers and walkers whether they should stop or go.
